

Providing Peace of Mind

DIALMED HOME CARE BASIC FACTS

WHAT IS DialMED Home Care?

DialMED Home Care is a Whittier based agency providing companions, Certified Nursing Assistants and Certified Home Health Aides to assist our clients and families with their special needs in the comfort of their own home.

WHEN DOES A FAMILY NEED DIALMED HOME CARE?

Seniors desiring extra help and companionship
Patients recuperating from surgery or hospitalization
Families seeking respite care
Disabled children and adults
Hospital sitters (companionship during hospital stay)
Anyone needing a helping hand

WHAT TYPE OF SERVICES DOES DIALMED HOME CARE PROVIDE?

- Assistance with daily living activities
- Facilitate the schedule of doctor/family provided medications
- Companionship
- Light housekeeping
- Personal care (bathing, dressing, etc.)
- Shopping and meal preparation
- Respite for family caregivers
- Scheduling available 24 hours a day, 7 days a week
- Ongoing in-home needs assessment

ARE SERVICES PROVIDED BASED ON A CARE PLAN?

With the family, DialMED Home Care will determine a comprehensive care plan specific to the recipients needs. When the doctor or family determines that greater medical care is needed, DialMED Home Care can refer the family to a licensed Home Health Agency for a continuing or supplemental level of medical care.

WHAT ARE THE SCREENING PROCEDURES OF THE CAREGIVERS?

- DialMED Home Care is bonded and insured
- Reference verifications
- Integrity tested
- Criminal background checks
- State certifications verified
